**LAKE OF THE TORCHES**

Aug. 18-20

We're heading 'up north' again as we make our way to the Torches. A favorite during any season. We will be enjoying all the northwoods has to offer. From the scent of the pine trees to the beauty of the lake right outside the casino, you will be able to enjoy this relaxing mini vacation at your leisure. Just walking around the outside of this facility is relaxing in itself. We will be stopping at HoChunk Black River Falls on the way to LOT and then at HoChunk in the Dells on the way back. The added promotional money will make this a truly inexpensive trip for you. Day two will find us going into Minoqua for a bit of shopping or a stop off at a watering hole with Chip. I've been known to pop for a round or two. And don't forget your swim suits. Hopefully the pool will be open for your enjoyment. This trip has always been a favorite among our many travelers so it will fill up quickly. Get your group together and sign up for a fun but relaxing time.

## Chip's Chats

Hi All.

### WE ARE BACK!!!

I can't tell you how much we missed seeing all of you over the past year and a half. We are starting up but slowly. I am scheduling 2 trips per month for July through November. One will be a one day and the other an extended. We'll have to see what happens for 2022 as far as which casinos are taking buses. Things are very fluid right now. You won't see any buffets like you did before. There are some casinos that do not accept buses right now and some that are going all out with letting buses in and no masks. It's really crazy. Based on the way things are going, we will be going out with a few less people on the bus than we did before. Because of this and price increases to me I did have to raise the prices a bit. But I didn't go crazy because I want to see all of you again.

We will have some changes for the early going at least. Because of everything going on, we will be doing temperature checks prior to you boarding the bus. After all, you don't want to get to the casino, find you have a temperature and then not be allowed in. And you won't be able to stay on the bus. So temps it is. The other thing is for everyone's safety. On your first trip back with us, I would like to see your vaccination card. I will only have to see it on your first trip. The reason for this is simple: if you are traveling with a group and everyone had their shots, you won't have to be social distanced on the bus. Those without the card will have to social distance with everyone but their partner. Believe me, I'm doing this for everyone's safety, well being and peace of mind.

Call early to insure getting on the bus. I look forward to seeing and teasing you again.

## Diamond Jo, "Q" Day Trip

Oct. 19

If both of these casinos are open by October, we will be visiting both of them in one day. Both of the casinos are in the Dubuque area, just across the Mississippi River. This is a really pretty drive through Wisconsin and we should still have beautiful colors to see while in transit. We will do "Q" first because I know they are accepting buses. If Diamond Jo reopens to buses we will visit there as well. I'll keep everyone posted as we get closer to the dates. Both venues have food but not buffets. It will be fun even if we only visit one of the venues. See you on the bus.

### Includes:

- Deluxe motorcoach w/escort, movies, games
- Promo is unknown right now but it could total at lease \$20
- We'll have to see what the food promo will be.

### Pickups:

- 6:30 am College P&R
- 6:50 am Hales Corners
- 7:30 am Watertown Plank Rd P&R

There will be time to eat and to play slots prior to heading home. Give us an early call this one because the bingo buffs fill this one up quickly. Hope to see you on the bus.

## WITTENBERG

Sept. 20

This is a HoChunk property located in Central Wisconsin. It is not one of the larger casinos but it has all of the usual slots you would find in the mega facilities.. It has a small fast food style restaurant with good food and a good selection. Because of it's size, it does not offer live table games. Instead they have virtual machine type of card games. All in all a really nice casino for a day trip. You will receive \$25 in promo cash that will help you get started on your winning experience. Hope to see you on the bus.

### Includes:

- Motorcoach, escort, games

## NORTH STAR

Aug. 31

Join us for a day trip to the North Star Casino in Central Wisconsin. It's been a while since we spent the entire day here so I'm sure you will enjoy it. We will probably stop off at Nueskes on the way home for some of their great bacon and other smoked meats. The last time we stopped here, the bus smelled like a smoke house. North Star is an average sized casino that has everything from table games and a lot of the latest slot machines. They have a very nice sit down restaurant for your dining pleasure. I highly recommend their home-made Chicken Pot Pie. All in all, great gaming and food. Why not join us for a day of fun and gaming.

## HOCHUNK SAMPLER

July 28-29

Oct. 13-14

This has always been a favorite trip. It's the HoChunk 3 bagger. We will be visiting Nekoosa, Black River Falls and then HoChunk Dells. All three casinos have the type of slots that I'm sure you'll enjoy. Getting \$100+ back in promo money makes it even more enticing. Promo amounts may even go up, depending on the casino's mailers. There will most likely not be any buffets at the casinos. Bring your fun attitude because it will be another fun and inexpensive time.

### Includes:

- Deluxe motor coach with escort
- 1 night deluxe hotel accommodations
- \$100 promo cash between the 3 casinos

### Pickups:

This is one of those casinos that has its own following, so you'll want to get on the list before all of the seats are gone, which is very common. Call early, bring a group, but do it quickly because this one does fill up fast. I'll see you on the bus.
